## THE TEXT

Peter is 12. He lives in London, the capital of England. His father is a farmer and his mother is a teacher. Peter has got a sister, Dana. She is 13. They go to the same school. Their favourite subjects are Maths and Geography.

After school, Peter plays football or goes out with his friends. He does his homework at five o'clock. He usually has dinner at seven thirty. In the evening, he watches television and goes to bed at nine.
